Mission Statement

We, the Board, administration, teachers, support staff, and classified personnel, envision working as a team that is committed to guiding our students toward the goal of academic excellence. We will provide stimulating and challenging learning experiences that maximize each student's potential and enhance self esteem. We are committed to insuring that our students are in an environment that is clean, safe, and conducive to learning, based on the district's and community's high academic and behavioral expectations of students and staff.

District Profile

Fowler Unified is located in Fresno County, California, which is in the center of the state, framed by the majestic Sierra Nevada range to the east and the coastal mountain range to the west. Our six schools are comprised of students from two communities: Fowler and Malaga. The district is characterized by excellent teachers and principals who care about students and who combine professionalism and creativity to maximize each child's learning experience. In our district, family is still the center of activity and education is highly regarded by caring parents and a very supportive community.
