Mission Statement

The mission of the Maricopa Unified School District is to provide a caring and nurturing environment in which our students will maximize their personal and academic potential.

District Profile

We are a small rural community located approximately 45 min southwest of Bakersfield. We are a K-12 district on one site with one elementary (K-8) and one high school (9-12). The total enrollment is approximately 370. We have 27 certificated and 26 classified employees. For the most part we have 1 classroom per grade. Our elementary and high school share the cafeteria, auditorium and gym. Ours is a close knit organization with all the advantages small numbers can give.
