Mission Statement

The Richland School District adheres to the premise that all children can learn. The District's mission is to be consistent in empowering all schools at all grade levels in nurturing the mental, physical, social and emotional growth of all students by bringing about excellence through planned instruction, based on a CORE of knowledge in which all children should learn, that promotes a positive self, academic success, and a social consciousness that will lead toward productive citizenship.

District Profile

Richland School District serves elementary age children living in the City of Shafter and outlying areas. The District operates four schools that are located in the city: Golden Oak Elementary School (K-5), Redwood Elementary School (K-5), Sequoia Elementary School (K-5) and Richland Junior High School (6-8).

Class sizes in grades K-3 average 20 students, grades 4-5 average 30 students and grade 7-8 average 30 students, but may have as many as 33.

The District strives to provide a high quality educational program to a diverse population. The district is committed to provide standards based instruction. The California State Standards have been adopted by the District. Standards based instruction is being implemented in all classrooms throughout the District.
