HJUHSD MISSION

The Hanford Joint Union High School District is an educational community committed to providing all students a competitive education with multiple learning opportunities in a safe, orderly environment fully equipped to teach 21st century skills. As a learning community, we strive to improve student achievement, to be responsive to community needs and to foster accountability for all.

Responsibilities

- To students: To create an environment that facilitates student success and provides opportunities for students to reach their potential and be successful.
- To parents: To encourage and support parent involvement by creating an environment in which parents are partners
- To community: To build school, parent and community partnerships in the interest of education
- To staff: To develop and implement educational and vocational programs and evaluate the effectiveness of each program on an ongoing basis
- To one another: To create an environment of trust and mutual respect wherein all are safe to take risks, learn and implement new methods, sharing ideas and expressing their thoughts

Basic Principles

- A belief that all students should develop subject matter competency and become proficient in the elements of the Central Intellectual Purpose: Communication, Critical Thinking/Problem Solving, Research Skills, Technology, and Ethics
- A belief in maintaining a safe and orderly environment for learning
- A belief in continuous improvement
- A belief in accountability
- A belief in self analysis and in learning
- A belief in accepting challenges
- A belief in creating an educational environment in which staff, students and parents are partners
- A belief that the greater community is an essential partner in the future of education
