Profile

Island School is proud of its history and tradition of being an outstanding school. The staff is dedicated to providing all students with instruction that is challenging and meets the California State Standards. Our motto “Strive for Excellence” is emphasized in our academic programs as well as our character education program, Character Counts! We are committed to providing your children a safe school with a positive learning environment. We appreciate the support of our parents and community.

District Vision/School Mission

The Island Union Elementary School District is dedicated to providing a positive learning environment and a sound educational program that will develop the inherent capabilities of all students and help prepare them to become productive members of our diverse society.

District Goal Statements

- The district will create a safe and positive school climate, recognize individual differences and encourage each student to reach his/her full potential.
- The district will provide instructional programs that are continuously reviewed and revised in a timely manner to meet the changing needs of all students.
- The district will allocate resources in the most efficient way to meet student, staff and school needs and to maintain the grounds and facilities.
- The district will provide an effective staff development program that will enhance and stimulate the professional growth of all employees and school board members.
- The district will develop strong school, parent, community, business, and inter-agency relations.
- The district will continue to review, revise, expand, and implement technology in the curriculum and district administration.
