1 Elementary

Total Enrollment: 629

**10/30/07 Emailed Personnel contact.**

Welcome to Kings River-Hardwick Elementary School! We are a Kindergarten through eighth grade school with approximately 629 children on campus. We are located just north of Hanford, California, in the middle of the San Joaquin Valley.

We are surrounded by beautiful orchards and farmlands with Hanford located approximately five miles south of us.

Many of our students transfer into Kings River-Hardwick because we are a California Charter District.
