1 Community Day School  
Enrollment 9,021

### **Mission Statement**

The Mission of the Los Banos Unified School District is that all students will achieve or exceed grade level standards.

### **District Information**

The Los Banos Unified School District is composed of approximately 8,500 students, K-12. From 1992-2002, our enrollment growth has averaged 6.7% per year. Students are housed in six elementary schools, one intermediate (grades 5-6), and one junior high (grades 7-8), one comprehensive high school, one alternative high school and one community day school. The District has an adult education program and also operates the Learning Center, a latchkey child care program and STAR, a before/after school program. Governed by a 7-member Board of Education, the District employs approximately 435 certificated and 340 classified employees and oversees an annual budget in excess of \$50,000,000.

Los Banos Unified School District is focused on becoming a destination district. A destination district is a place where families choose to locate, as a result of the quality instructional programs that are offered. It is our belief that all collaborative community efforts are productive, because schools belong to all of us. We encourage and seek the support and active participation of our citizens in educational issues.
