District Information

MCOE staff promotes student success by helping Merced County's 20 school districts serve more than 55,000 K-12 students of all abilities through assistance with curriculum and instruction, career and alternative education, business services, technology, special education, and teacher credentialing. MCOE will continue to focus on improving its work with school districts on behalf of students.

MCOE also promotes student success through support of quality child care and preschool programs operated by Merced County school districts and through MCOE operated Head Start programs.
