Community

Location is one of Tulare's best assets. The city is situated in the Central San Joaquin Valley along Highway 99, 45 miles south of Fresno and 60 miles north of Bakersfield. Our mid-state location benefits businesses needing same-day access to key California markets as well as residents seeking recreational opportunities in the beautiful Sierra Nevada Mountains to the east and the spectacular California coastline to the west.

Agriculture remains the lifeblood of the local economy and Tulare sits in the heart of some of the most productive farmland in the world. The strategic location makes Tulare very attractive to food processors and distributors because of the central location and abundant supply of locally grown products.
