Vision:

The Charter Oak Unified School District will demonstrate excellence in academics, operations, and its role as a unifying bond for the entire Charter Oak community. Charter Oak Unified will be a school district of choice, offering a premier program to retain and attract students and staff.

Mission Statement

The Charter Oak Unified School District will empower students to be lifelong learners.

Each student will:

- Achieve self-worth
- Become a productive citizen
- Use technology as a tool
- Conquer the demands of a changing world

The District in its commitment to excellence will provide:

- Leadership with vision
- Quality teachers and support personnel
- Effective learning environments
