Located approximately 12 miles east of downtown Los Angeles, El Monte is the hub of the San Gabriel Valley, where two major freeways – Interstates 605 and 10 – intersect and is the ninth largest city (out of 88) in Los Angeles County with a population of approximately 120,000. The land uses within its 10 square mile area are 58 percent residential, 11 percent retail, 10 percent industrial, 7 percent office/retail, and 14 percent other of amenities. El Monte also has an ethnically diverse and dynamic population with 72 percent Hispanic, 18 percent Asian, and 7 percent White.

With the growing population in El Monte, community and educational facilities continue to improve. New parks are being built to serve the growing population with many active sports programs. A brand new Aquatic Center with three pools is located along the Tyler Avenue Heritage District, which includes the City’s Community and Senior Centers, museums, and a public library.

In addition, the appearance of our neighborhoods has greatly improved, partly due to various programs offered by the City, and partly due to the growing pride and awareness of our residents that El Monte is a great place to live, work, and play.
