6 secondary schools  
1 preschool center  
1 community adult school  
K-12 Enrollment 9,000  
Adult Enrollment 8,000

### **Mission Statement**

The mission of the Inglewood Unified School District, a unifying force of the All-American City of Champions, is to ensure that our students are taught by highly qualified teachers and excel as productive world citizens through a pre-kindergarten - secondary educational system characterized by safe schools, exemplary academic programs, highly qualified teachers, and effective partnerships with families and all segments of the community.

### **District Description:**

Located in Los Angeles County, California, the Inglewood Unified School District serves approximately 17,750 students (in kindergarten through 12<sup>th</sup> grade) from the cities of [Inglewood](#) and Ladera Heights. In total, there are thirteen elementary schools and six secondary schools, many of which are on a year-round schedule. In addition, there is one preschool center with approximately 300 students and a community adult school with approximately 8,000 students.

The Inglewood Unified School District (IUSD) serves a diverse population of students in an urban setting, with 58% Hispanic, 41% African American, and 1% other ethnicities, according to [demographic information from the California Department of Education](#) (CDE) for the 2002-2003 school year.

Inglewood's elementary schools are often considered to have defied the statistics. Despite the low average socioeconomic level of students district-wide, IUSD elementary schools have earned national and international recognition for their outstanding academic performance. Three Inglewood schools have earned the title of "California Distinguished School" and one was recently named a "Title I High Achieving School." In a 2002 study conducted by the Pacific Research Foundation, five Inglewood elementary schools made the High-Performing, High-Poverty list
